THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (DEPARTMENT OF SMALL SCALE INDUSTRIES AND AGRO AND RURAL INDUSTRIES) (SHRI M. ARUNACHALAM): (a) and (b) Yes, Sir. Coir goods are exported mainly to countries in West Europe, especially Member countries of European Economic Community. The United States of America Canada, Australia, Japan and Saudi Arabia are the other important countries that import Indian coir in large quantity. Details of export of coir goods for last three financial years are given below:

Year	Quantity (Tonnes)	Value (Rs. in lakhs)
1989-90	27,458	4017.77
1990-91	27,926	4832.85
1991-92	30,999	7411.63

(c) Details of Foreign exchange earned during the last three years are given below:

Year	Amount
1989-90	US $ 15.38 million
1990-91	US $ 16.49 million
1991-92	US $ 28.36 million

(d) and (e) The Coir Board, which is a statutory body, has taken various measures to boost the export of coir and coir products in the International market. The Board has undertaken joint publicity programme with British and German Coir Associations for promoting consumption of Indian coir in these countries. The Board also participates in international exhibitiosn and organises market development delegations to these countries.
